

# 26th Annual AHCA National Sale

*Opportunity Awaits...*

**25+ Lots of Registered Highland Seedstock,  
Embryos & Semen Sell!**

Saturday January 25, 2014 • 10:00 AM  
National Western Stock Show • Beef Palace Auction Arena

**W**elcome to the 2014 AHCA National Sale held at the historic 108th National Western! This is our annual Genes that Fit – Highland Blowout, offering some of the finest registered Highland cattle to be found in the United States.

Here is an extraordinary opportunity to purchase new genetics, improve next year's calf crop or add some Highland spice to your showstring. This superb collection of cattle exhibit outstanding performance, combine nationally recognized pedigrees and are show toppers radiating breed character. Consignors have handpicked their premium stock for this event. In addition, you will see some 2014 National Show Champions that will be in this auction ring for your buying pleasure. There is also a unique embryo package and several semen purchasing opportunities. The cattle industry is booming. The time to buy is now! The AHCAj Futurity is geared up for a second year. Any AHCA junior who purchases a breeding heifer at this 2014 National Sale will have the opportunity to be rewarded up to \$1000 next year. The heifer needs to be exhibited by the junior at the 2015 National Show in Denver and meet other guidelines. Contact AHCA or check out the details at [highlandcattleusa.org](http://highlandcattleusa.org) on the Juniors tab.

For further information on any lots, please contact the sale consigners or sale committee. If you are unable to attend the sale but wish to bid, contact Bill or Doug Sheridan (517) 676-9800 or (517) 749-7976. Have your credit card available to guarantee your bids; there is a 4% convenience fee for all credit card transactions. You can watch the sale and bid via [LiveAuctions.tv](http://LiveAuctions.tv). If you have trucking needs, feel free to contact AHCA (303) 659-2399 or [info@highlandcattleusa.org](mailto:info@highlandcattleusa.org). However, buyers are responsible for arrangements and they should be made prior to the sale. Following purchase of cattle, please remember it is the buyer's responsibility to care for them. If you are not present, please make the appropriate arrangements with the seller immediately after the sale.

Consigners from across the country have put tremendous effort into bringing together a fantastic slate of cattle that will enter your operation and increase your profitability. Our expectations are the 2014 Sale will be the finest yet and we invite you to be part of it.

On behalf of AHCA, we would like to extend a colossal thank you to our consignors for making this event possible and all those who have so generously devoted their time to make the National Sale a success.

This classy lady is red, very feminine, with superb genetics and growth potential. Vivian's dam, Shat-Acres Vickie, was 2005 Grand Champion Female at the AHCA International in Cambridge, OH and NY State Fair in Syracuse, NY as well as Reserve Champion Female at the 2006 NWSS and 2005 Roll of Excellence Heifer of the Year. Vickie is sired by the well-known Lance of Gordon's Fold who sired many national champions including Shat Acres Cinnamon Swirl, 2004 NWSS Grand Champion Female and Shat Acres Cinnamon Raisin, 2011 NWSS Grand Champion Cow/Calf. Shat Acres Vivian's sire is Shat Acres Cinnamon Bear, 2009 Grand Champion Bull at MAHA, York, KILE and NEHCA and sire to Shat Acres RaisinBrandy, 2012 Roll of Excellence Heifer of the Year. A great show prospect for youth or adults. Her Shat Acres temperament and genetics will make her an excellent addition to your Highland fold for show and breeding.

Aria is a dazzling dark red yearling heifer sired by Sunset Limited Edition, a many time Canadian Grand Champion Bull and winner of numerous 'Get of Sire' classes in both the US and Canada. Her dam is a very correct cow whose pedigree is full of cattle from longtime established herds known for breeding quality Highlands. Aria has very good conformation, moves out well and has tremendous spring of rib. Her quiet temperament and desire to please make her a pleasure to have around and an easy one to handle in the show ring. She was the Champion Intermediate Heifer Calf at the NCHCA show and a ROE winner in 2012. This dynamo was the Reserve Champion Intermediate Yearling Heifer (9 head exhibited) at the NCHCA show in September 2013. At 502 days of age, Aria weighed 775 lb and had a hip height of 44 inches. See more information about Aria and our other consignments at [www.windemerehighlands.com](http://www.windemerehighlands.com).

Neonag is out of the striking Black Watch Dempsey who is a prolific sire in the herd. This consignment traces back to Gilchrist, Willmorrie, GOF, Broadstone and Drover Hill genetics. Like all of Flathead's herd, she was raised in rugged mountain pastures with wolves, grizzly bears and mountain lions for company. Cows are moderate framed generally weighing between 1050-1150# with good feet and udders. Culling is based on temperament, structural correctness, feet, udder and size, in that order. This girl will earn her keep!

Shat Acres Dreamer  
Shat Acres Sassy

Tatum is dark red, very long, with a beautiful feminine profile. Her dam, Shat-Acres Thelma, is one of the farm's largest and structurally correct cows although she has never been shown. Thelma has consistently produced exceptional calves. Tatum's sire is Shat Acres Dancelot, Grand Champion Bull at the MAHA show in 2009 and Roll of Excellence bull calf that same year. Dancelot is the son of Shat Acres Lancelot, Grand Champion Bull at the MAHA and KILE shows in 2006 and grandson of Lance of Gordon's Fold, sire of many Shat Acres' National Champions. This consignment is a sweetheart with the gentle disposition our farm has been known for since 1967. Her temperament, excellent genetics and conformation destine her to perform equally well in the show ring as in your pasture.

Hedda's pedigree is packed with production cattle. Her mother, Impact Dam QM Snowflake, is one of the last females sold by Quiet Meadow Farms in Michigan when well-respected, long time cowman, Ferris Leach, sold out his herd. Hedda's sire is Sunset Rebel Yell, Canadian Champion and proven sire of champs here in the US. His progeny took a number of Division Championships and Grand Champion Female, as well as three high selling females at the sale here last year. She comes to the auction ring with a confirmed pregnancy to Skye High X-Axis (pasture exposed June-September), a tremendous young bull who sired both the Grand and Reserve Grand Champion Females at the 2013 St. Joseph County Fair.

This thick, deep heifer comes out of a long line of production stock. Her dam, LEA In Vogue, has been a consistent producer, born and bred at LEA-White Farms. Hellowes' sire is Sunset Rebel Yell, many time Canadian Champion and sire of both the Grand Champion Female LEA Hedy and the High Selling Female, LEA Genevieve, at this very venue last year. Hellowes comes to this sale with a confirmed pregnancy following pasture exposure June-September to two outstanding home bred bulls. They include an exceptional young silver bull named LEA Heremon and LEA Edradour, a proven sire of show stock with several outstanding daughters displayed at the 2014 NWSS. If DNA is required to determine the sire, it will be at LEA-White Farm's expense.

Sandpiper epitomizes all the maternal characteristics of an outstanding brood cow: great length, depth of rib, blended on fine smooth shoulders. Pay particular attention to her udder conformation and teat size as they are close to perfection. Her locomotion is a combination of natural grace and sound structure. Her calf at side is already showing all the signs of being an extraordinary Highland bull. Beaverhead's Bratach's (#52,708 red bull) masculinity and power were obvious from the day he was born. Sired by Trafalgar Luther, this combination realizes exceptional growth and all the best maternal traits. A cow/calf pair to truly enhance the reputation of any Highland herd.

Born in the USA but about as Scottish a pedigree as you will find without leaving the country! Gordon is the result of a long term AI breeding program using sons of Gille Buidhe of Benmore, recognized as one of the foundation sires of the Highland breed. Gordon's dam is a Basswood of Swains' daughter and his maternal granddam is a Constellation of Swains' daughter from the legendary Swains Fold in Quebec. Gordon is a stocky red calf with a lot of width front and rear. He has an easy going temperament and loads of breed character. At 173 days of age, he weighed 385 lbs and had a hip height of 39 inches. Take this one home and add some elite Scottish blood to your breeding program!

We knew this yellow bull calf would be exceptional from the moment he was born. He is a son of Scott of Craycombe, a five-time Champion in Great Britain and much sought after sire here in the US. His dam was a blonde cow bred by Pitcher Mountain Farm, one of the oldest Highland operations in the US herdbook. Bismark will catch your eye because of his color but look beyond that to see his great conformation. He's got height, width and depth as well as a very masculine appearance even at his young age. With an easy going temperament, it's no surprise he handles new situations quietly and learns quickly. Bismark weighed 70 lbs at birth; at 177 days he weighed 440 lbs and his hip height was 38 inches.

A young, black bull with tremendous potential and excellent bloodlines. His sire had two impressive years in the show ring and was consigned to last year's 25th AHCA National Sale. His grandsire with over 150 registered progeny was an offspring of Gille Buidhe of Benmore (The Gene Machine). The fine black dam of this herd bull prospect has similar strong genetics and proves her outstanding mothering ability every year in our pasture based operation. She has been a winner in the cow/calf division at many shows in recent years. This is a handsome young bull with a great future in your breeding program.

Great Grand sire of Lot 20  
 Jock of Glengorm

Hank's got it all – a nice long body, deep brisket, square frame and a personality to boot. He is an easy keeper and willing to do anything asked of him. Tracing back on the top side to the famed Jock of Glengorm, his pedigree also includes several outcross Canadian animals. Hank is ready to move to your ranch and become the up and coming herd sire that you have been looking for!

Brodgar is an excellent combination of the best Highland genetics from both sides of the Atlantic. He displays all the great characteristics that one would look for when selecting a herd sire. His well placed feet support exceptionally strong bone and well muscled legs. This packaged with outstanding depth of muscling throughout a wide frame. All of this in such a young bull is the result of his mother's superb maternal traits.

Brock has a pedigree that is full of proven power and performance! His dam is a favorite at Cobblestone. She weans some of the biggest calves with a ton of style. Brock's sire was a very thick, extremely well muscled, gentle bull. You will find all the sought after genetics in this up and coming herd sire: Cedrus of Swains, Scott of Craycombe, Gusgurlach of Windrush, Leodhas of Douneside (dam of GOF Lapland 2L) and DH White Gold, just to name a few. Brock will not have seen the show ring prior to Denver but you have seen some of his siblings: Windemere Alibi, Cobblestones Raquel, CBS Roxie 6Y and We Tired Acres Samantha. A well-mannered gentleman. The only thing missing is the 2 inches of his horn from an injury last year. Ready to go to work and breed this year.

Husker Show Cattle is excited to offer an embryo package that is extremely hard to match in the Highland industry! LEA Crackerjack was purchased at this very venue several years ago bred to Sunset Rebel Yell. Her bull calf produced from this mating, HSC Rebel's Jack, returned to the NWSS to be crowned Reserve Grand Champion Bull in 2012. Jack has sired several winners at shows across the country this year. All the guesswork has been eliminated! Lot includes two grade 1 embryos to be sold as a package. Buyer pays shipping and must take possession within 60 days of purchase.

Bear's prolific wins include Grand Champion Bull at the 2009 MAHA, York, KILE and NEHCA shows. His dam, Cinnamon Swirl, was crowned Grand Champion Female at the 2004 NWSS. On his top side, Scorpio was a 2001 Bull Test graduate and sired many National Champions and Roll of Excellence winners. Bear weighed over 1900 lbs at the 2010 NWSS as a two year old and had the largest scrotal circumference in the show. Despite his size, Bear's progeny have all been easy calving, with no difficulty. This handsome bull is the sire of the reigning ROE Heifer of the Year, Shat Acres RaisinBrandy. No exception to the Shat Acres tradition of temperament, he is gentle, safe and reliable. Ten straws will be sold. Buyer pays shipping and must take possession within 60 days of purchase.

Check this out! The Highland Cattle Foundation is offering the coveted Scott of Craycombe. This is some of the most sought after semen in the United States. 100% Scottish bloodlines, he won many major shows in Great Britain. Scott sired the 2006 National Western Stock Show Grand Champion Female and is the grandsire of the 2010 Grand Champion Female. Don't miss this very limited opportunity! Four straws will be sold in lots of two; fair market value and minimum bid is \$500/straw. Purchase price in excess of FMV is tax deductible as permitted by law. Buyer pays shipping and must take possession within 60 days of purchase. All proceeds to benefit the Highland Cattle Foundation.

A second lot of rare 100% Scottish semen. There is not much left on the open private market. Excellent opportunity! Ben was a smooth, stout, heavy muscled bull. He was imported in the early 1980s by Dan Flynn of Dirtane Farm. He sired the 2011 National Western Grand Champion Bull and was grandsire to the 2013 Grand Champion Bull and Reserve Grand Champion Female. Eight straws will be sold in lots of two; fair market value and minimum bid is \$300/straw. Purchase price in excess of FMV is tax deductible as permitted by law. Buyer pays shipping and must take possession within 60 days of purchase. All proceeds to benefit the Highland Cattle Foundation.

## TERMS AND CONDITIONS

EXCEPT FOR THOSE STATED IN THE BELOW TERMS AND CONDITIONS, THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, AS TO THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE CATTLE BEING SOLD.

THE WARRANTIES AND GUARANTEES SET FORTH IN THE "TERMS AND CONDITIONS" ARE IN LIEU OF ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, AND REMEDIES PROVIDED THEREIN SHALL BE THE SOLE AND EXCLUSIVE REMEDY OF THE BUYER, OR ANY PARTY CLAIMING THROUGH THE BUYER, FOR ANY BREACH OF WARRANTY OR GUARANTEE THEREIN PROVIDED, AND ALL OTHER OBLIGATIONS OR LIABILITIES.

**TERMS:** Terms of the sale are cash or check payable immediately upon the conclusion of the sale and before the animals will be moved.

**BIDDING:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

**PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as sold; but it shall be the obligation of the seller to see that the animals are fed and cared for free of charge to the purchaser, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

**REGISTRATION:** A transferred certificate of registry will be furnished to the purchaser for each animal within 60 days following the sale.

**HEALTH:** All animals are eligible for interstate shipment; except as otherwise announced.

**ANNOUNCEMENTS:** Any changes of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

### BREEDING GUARANTEE

1. All animals are guaranteed to be breeders, with the exception of: A) Calves under 12 months of age; B) Animals shown by purchaser after the sale (in cases of animals shown after purchase the breeding guarantees, if any, shall be such as agreed upon between the seller and the buyer); C) Injury or disease occurring after the sale; D) Gross negligence or willful misconduct on the part of the purchaser.

2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 14 months of age. Any bull which settles cows by natural service and passes a breeding soundness exam according to the guidelines of the Society of Veterinary Theriogenologists, made by competent veterinarians, mutually agreed upon by buyer and seller, during any 6 month period of trial (provided for in paragraph 2 of "Options and Privileges of Return and Adjustment") shall be considered a breeder. Any guarantees with respect to the ability to freeze semen shall be by separate agreement between buyer and seller.

3. "Pregnant" females have been examined by a competent veterinarian and are so guaranteed.

4. "Served" females are not guaranteed to be in calf.

5. "Pasture exposed" females have been exposed but are not guaranteed to be in calf.

6. "Open" females have not been served and are so guaranteed.

7. Donor Females: A female which has been used in an embryo transfer program is not guaranteed to be a breeder after the date of sale unless by separate agreement between buyer and seller.

8. All animals sold as breeding animals are guaranteed not to be free-martins.

### OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT

1. All claims for adjustment or refund must be made in writing either within 6 months of the sale date or no later than 6 months after the animal reaches 20 months of age, with the exception of claims involving misrepresentation of service sire.

2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the seller, if in good condition and complying with the health requirement of the seller's state. The seller shall be entitled to 6 months trial following the return of the animal in which to prove that the animal is a breeder. If at the end of 6 months the seller is unable to prove the animal is a breeder, the seller shall, at the option of the buyer, replace the animal with another of equal value or refund the full purchase price. The return of full purchase price shall in any case be deemed full satisfaction and settlement. Any expense incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the purchaser, except the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location where the sale took place. If the seller proves the animal to be a breeder, it shall be the obligation of the purchaser to take delivery of the animal and pay all expenses incurred.

3. If a female sold as "pregnant" proves not to be in calf, the purchaser may receive service from the bull previously used, if available, or if the bull is not available, the seller shall be obligated to make satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the full purchase price upon return of the animal to the farm of the seller. If a female is represented as "pregnant" at the time of sale to a certain bull proves to have been bred to a different bull, the seller shall be obligated to make a satisfactory adjustment to the purchase price or, at the buyer's option, refund the full purchase price upon the return of the animal to the farm of the seller. Any expense incurred for the transportation shall be the responsibility of the purchaser, except that the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location where the sale took place.

4. If a female sold as "open" proves to be with calf, the purchaser may return the animal to the farm of the seller prior to calving for a refund of the full purchase price or for another animal of equal value, whichever is acceptable to the purchaser. It shall be the obligation of the seller to bear any expense incurred for transportation.

5. Cows with calves at side are presumed to be breeders with no further fertility guarantee.

6. Any controversy or claim arising out of or related to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its commercial arbitration rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

### AUTHENTICITY OF PEDIGREE

When an animal, through blood typing and/or DNA typing, is determined to have ancestry other than that reported on the registration certificate, the buyer shall be entitled to a refund of the full purchase price from the seller upon return of the animal to the farm of the seller at the buyer's expense. The animal in question, at the buyer's option, may be exchanged for another animal of equal value, or if agreeable with the buyer, the seller may have the certificate of registry corrected at the seller's expense with the corrected certificate returned to the buyer. Any adjustment provided herein, if selected, shall absolve the seller from further liability for authenticity of pedigree to the buyer.

**THE SELLER SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. THE LIABILITY OF SELLER FOR A BREACH OF WARRANTY HEREUNDER IS LIMITED TO THE REMEDIES SET FORTH ABOVE.**

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be binding on both. Each sale or resale of an animal constitutes a separate transaction.

Neither the owners, sponsoring associations, auctioneers nor any other persons connected with the management or conduct of this sale assumes any liability, legal or otherwise.

**ALL DISCLAIMERS OF WARRANTIES AND LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE VOID WHERE PROHIBITED BY LAW.**
