**30+ Lots of Registered Highland Seedstock,
Embryos & Semen Sell!**

**Saturday January 24, 2015 • 10:00 AM MST
National Western Stock Show • Beef Palace Auction Arena**

On behalf of the American Highland Cattle Association, we would like to welcome you to the 2015 AHCA National Sale held at the historic 109th Annual National Western Stock Show. We are pleased to have an extraordinary slate of cattle to offer at our sale this year. You will not want to miss this Sale!

We are very excited to promote these cattle to you. It is a remarkable opportunity to purchase cattle that are hand picked by our consignors. Solid pedigrees from east to west coast will be represented. These are cattle that exhibit proven performance, style and superiority. In addition, you will see 2015 National Show Champions enter the auction ring for your buying pleasure. An allotment of outstanding embryos and semen will provide rare purchasing opportunities that you will not have anywhere else.

The AHCAj Futurity is now in its third year. Any AHCA junior who purchases a breeding heifer at this year's National Sale will have the opportunity to be rewarded up to \$1000 next year. The heifer needs to be exhibited by the junior at the 2016 National Show in Denver and meet other guidelines. Contact AHCA or check out the details at highlandcattleusa.org on the juniors tab.

For further information on any lots, please contact the sale consignors or sale committee. If you are unable to attend the sale but wish to bid, contact Bill or Doug Sheridan (517) 676-9800 or (517) 749-7976. Have your credit card available to guarantee your bids; there is a 4% convenience fee for all credit card transactions. You can watch the sale and bid via LiveAuctions.tv (see back cover for details). If you have trucking needs, there are several options available including many of the exhibitors. Please contact AHCA (303) 659-2399 or info@highlandcattleusa.org. Buyers are responsible for arrangements and they should be made prior to the sale. Following purchase of cattle, please remember it is the buyer's responsibility to care for them. If you are not present, please make the appropriate arrangements with the seller immediately after the sale.

Consigners from through out the country have put tremendous effort into bringing together a fantastic lot of cattle that will enter your operation and increase your profitability. We invite you to take advantage of cream of the crop genetics, cattle that have been handled extensively and the ease of purchasing at our National Sale.

On behalf of AHCA, we would like to extend a heartfelt thank you to our consignors for making this event possible and all those who have so kindly devoted their time to make the National Sale a success.

**GENES THAT FIT
HIGHLAND BLOWOUT!**

It is with great enthusiasm that we look forward to traveling west again to help conduct your National Sale in January. Denver is, and has always been, the pulse of the cattle market. It's where superior genetics and a national buyer pool come to trade.

This year has experienced a leveling off of commodity prices driving strong demand for cattle at all stages in their life cycle. Today breeders can sell their mature herd bull and invest salvage dollars into young sires like never before. The national herd is down and this coupled with less expensive feed and input costs has made the cattle business one of the highlights in agriculture today. Demand for high quality genetics has not been higher and it's never been a better time to be in the Highland cattle business.

Highland breeders continue to improve the breed and their cutting edge genetics are on display and for sale in Denver. Join us this year for what we expect to be a great family outing and business event. Please don't hesitate to contact AHCA or your sale committee to inquire about this year's offering.

Jazabelle is a fancy little heifer coming from a long line of champions. Her bloodlines go back to Cube Mtn. Edward, Rob Donn of Dirtane and Hannegan breeding. In the mix is also the historic and hearty western genetics from the Larsens of Alzada, MT. Bella's (nickname) sire Garden Home Wotan won Grand Champion at every show we took him to. Super gentle, Bella was shown by our young grandkids in the 2014 show season. She would be a wonderful choice for the junior looking for that special animal. Alongside her dam, Jazz, they won the coveted Grand Champion Cow/Calf at several shows this season.

This beauty is a real show stopper and favorite of farm visitors. She is long bodied and feminine fronted with a charming temperament. Lottie has shown steady growth with genetics that we've kept back in our herd. She is stacked with pedigrees from respected folds including Ridge Top, Kiyiwana, Summit, EZ Acres, Gilchrist and Trafalgar. Lottie's dam was named 2011 Roll of Excellence Show Cow/Calf (three way tie).

A dynamite Dundonald heifer with genetic diversity. Dam RAM Shelby with that unique Run a Muk breeding was purchased at the 25th AHCA National Sale of 2013. She was AI'd to Jock of Dundonald with the proven genetics of the Leys Fold of Inverness being grandson of Jock 28th of Leys. Jock's progeny were recognized in Central Bull Tests with SBH Springbrook Jock being top selling bull in the bull test sale of 2004 and two of his progeny being placed #1 and #4 in the Central Bull Test of 2008. In three 2014 Highland shows, Dundonald's Shelby was awarded Champion Junior Heifer Calf. Good looks and great genetics in a heifer with show ring potential and a productive future ahead... you can't go wrong!

CrimsonRose is stocky and well-built with exceptional gain solely on pasture. At her first show, 2014 KILE, she was Division Champion. Her dam was a twin and named Grand Champion Cow/Calf at the 2011 NWSS. CrimsonRose's granddam is Shat Acres Cinnamon Raisin, two-time NWSS Grand Champion Cow/Calf and dam to the 2012 Roll of Excellence Heifer, Shat Acres Raisin Brandy. CrimsonRose is sired by Shat Acres Dancelot, Grand Champion Bull at the 2009 MAHA and ROE Bull Calf Champ. Dancelot is the son of Shat Acres Lancelot, Grand Champion Bull at the 2006 MAHA and KILE. Her temperament, conformation and excellent genetics are the result of nearly fifty years of Shat Acres breeding.

A wide based heifer, she tracks correctly and exhibits an economically pleasing structure. Baroness comes from a very strong line of production cattle. Her sire was purchased in the 2011 AHCA Nat'l Sale and returned in 2012 for the Reserve Grand Champion title. An exceptional bull with Elite Impact Dam and Impact Sire status in his pedigree. Rebel's Jack calves demonstrate early muscling and growth. Baroness' dam also exhibits a ton of production with the well-known Hannegan Joe, whose daughter Quiet Meadow Victoria was also an Impact Dam. Top all that off with the influential Glen Osprey genetics for a complete package of production.

Lagertha is a proud offering from Gray Owl Farms to the NWSS Sale. Her dam is one of our top brood cows, JAR Britni. Britni was paired with GH Mr Chips in 2009 to produce the seven-time Champion and three-time Grand Champion Bull, Gray Owl's Bearach ("Bear" #50,007). Replicating this Britni - Mr. Chips pairing in 2012 produced this broody female, named after the powerful and beautiful shield-maiden warrior who held her own in battle. Like her Champion full-brother Bearach, Lagertha's naturally thick and structurally sound frame reflects such strength in stature, yet she possesses all the right feminine qualities for an easy handling cow in your herd.

Gray Owl's Mairi is an attractive deep red heifer pulled from the pasture one day after an early season blizzard for her NWSS sale picture. This heifer proves she has what it takes to flourish in a forage-finishing beef operation. Mairi possesses the combination of breeding and show qualities built from her strong genetic background. Look for the names of Trafalgar Nathan, DH Katherine's Reiff and GH Magnum Force in her pedigree. Her sweet disposition comes from her easy handling dam JAR Mira and sire GH Mr Roberts. Be poised to capitalize on this opportunity to diversify the quality in your herd with a purchase that exemplifies female foundation potential with north central and east coast genetics.

Jitterbug is a long, deep-sided jet black heifer that comes with an impeccable performance background. Her sire, LEA Flint shows a total of 9 Impact or Elite Impact ancestors in just his 3 generation pedigree. Jitterbug is the first calf out of LEA Gadabout, a deep, broad young cow with a long level hip, excellent feet, legs and udder whose dam made Impact status with her 4th calf. Raised on grass, Jitterbug comes to this venue without any special show ration. She has been on pasture, hay or haylage alone, with limited corn given last winter only. We expect Jitterbug to prove a valuable, highly productive addition to any herd.

Spring Flight Hope is sure to please the eye. She exudes breed character and is structurally correct and athletic. In addition to being a fine heifer in her own right, she has an enviable pedigree. Hope is out of Spring Flight Venitra, an ROE winner and Impact Dam who is by Impact Sire, Homeboy of Five Star Farm and a granddaughter of Scott of Craycombe. Hope's own sire is Black Watch Finn (ET,D). Finn offers a great genetic package all his own. His sire is Fingal of Auchnacraig, a desirable Scottish bull and Desiree of Kiyiwana, the product of two Scottish imports. This is her debut, do not miss out on this young gal... she is ready to be bred this spring.

LEA Joelle is a striking dun heifer sired by prepotent Canadian Champion Sunset Rebel Yell. Rebel has sired a string of show champions, both as our senior herd sire for LEA-White Farms and numerous others through AI. His sons and grandsons are presently in use by a number of preeminent Highland breeders. His daughters have achieved not only some of the highest show honors (including the Grand Champion Female at the 2013 NWSS) and sale prices but have proven themselves easy-keeping, highly productive brood cows. Joelle's mother is Elite Impact Dam LEA Deja Vu, herself a full sister to the 2007 Grand Champion Cow with calf at the NWSS.

Outstanding black coming two heifer! The fancy female came through Flathead Farms' replacement heifer program which emphasizes structural soundness, growth, udders, feet and temperament. Very well bred with Black Watch on the top and Flying Highland's Haggus on the bottom side. Finished in a western cow/calf operation, grass in the summer and chopped hay in the winter, never any grain. Raised on an all-natural mountain ranch. Our cattle are shown only one time, in Denver, then placed back into a producing herd.

Flathead Farms is pleased to offer this coming three, confirmed bred heifer due for an April/May calf. Pasture exposed to Sebastian of Five Star for 30 days then rejoined the breeding herd with two other potential sires, Black Watch Dempsey and Flatheads Catto's. DNA is required to confirm the sire and register the calf and is at Flathead Farms' expense. Exceptional genetics with Black Watch breeding on the top and Duncan of West Wind on the bottom. Moderate frame size that is structurally correct. Will calve at about 1150# and finish around 1250#. Extremely calm and easy to work with, halter trained in 3 days at 18 months. Finished in a western cow/calf operation, grass in the summer and chopped hay in the winter, never any grain! Raised on an all-natural mountain ranch which emphasizes structural soundness, growth, udders, feet and temperament.

Karissa's dam, Juno of Cherry Point was also the dam of We Tired Acres Joc. Brayden's sire is LEA Denovan Adam, another great bodied bull from LEA-White. Brayden has produced all black calves that are thick and strong boned with great temperaments. Rocky's dam is an excellent mother, calves easily and weans 400-500 pound calves. She has been a consistent producer of show quality offspring and also had a very successful show career, including a tie for the 2011 AHCA ROE Cow/Calf of the Year. Rocky is ready for the 2015 breeding season.

At the Cornhusker Classic in October, he was the Champ Jr Bull Calf and went on to win Reserve Grand Champ Bull. His dam, Almosta Farm's Holli, is a fantastic white female who is well-muscled and heavy boned. Holli was the NCHCA 2010 Grand Champion Female. Pendleton's sire Skye High Koal is a well-built, spectacular looking black bull with a long list of show accolades topped off by the 2010 ROE Bull of the Year and 2010 NWSS Grand Champion Bull. Koal was sired by the distinguished Sunset Limited Edition. With the genetics passed on from these two bulls, Pendleton is sure to help your herd excel.

The sire of this good looking black bull, LEA Harrison, is a direct son of Sunset Rebel Yell, a bull that has made quite a mark for himself. Sunset Rebel was undefeated in his division until his retirement. The dam's side boasts LEA Kittery an Elite Impact Dam and described by LEA-White as one of their best cows. Her line goes back to GOF Ralph from the distinguished Glen Osprey Farm. His maternal great grandfather on one side is Hannegan Jimbo, a past NWSS Grand Champion Bull and on the other side is Dirigo Florent, son of the famous Ben Enigclair of Scone Palace. With a wonderful disposition, this photo was taken in the middle of an open field only a week after putting a halter on.

This bull prospect is sired by Forceful, a herd sire from the former Thorbardin Ranch and considered one of their top bulls for producing a large number of high choice/prime carcasses. Forceful's sons, TBR Koch and TBR Mordecai, were show winners with excellent conformation and above average growth. Barron's dam is a daughter of Emmett who had a phenomenal show career and went on to be a herd sire in Black Watch Farm's beef program. Despite being the smallest of our fall calves (BW 54 lbs.) and his dam's first calf, Barron had the highest ADG and WW. Like his sire and grandsire, Barron exhibits the length, structural correctness, sound feet and legs, and fast growth rate that you would expect from this pedigree.

What a year it has been for Mr. Big! He was first in his class in 2014 at Denver followed by the new ROE show season where he was honored as Reserve Champion Bull at the York Fair. He then went on to have wins as Reserve Champ Jr Yearling Bull at the KILE and New York State Fair and most recently Champ Jr Yearling Bull at NAILE. He comes by it honestly with a sire who was Grand Champ Bull at the 2010 KILE and MAHA shows and a dam that produced the Grand Champion Bull, BRF Xenon. Polly's progeny were also named the Produce-of-Dam winners at the 2014 New York State and York Fairs. This stout made show topper is ready to be a dominant force in your herd and show string.

This young herd sire is ready for spring breeding. A well-mannered, naturally muscled bull that exhibits power and substance. Sturdy, well-built leg and hoof. CBS Laredo has Impact Sires on the top and bottom of his pedigree as well as an Impact Dam. Laredo's sire, HSC Rebel's Jack, produces calves that demonstrate early muscling and growth. His dam, U Rock Lady Larissa, has a pedigree packed full of diverse Canadian and British bloodlines. She is very correct in structure with significant length, deep capacity and has an excellent udder at 13 years old. CBS Laredo was Grand Champion Bull at the 2014 Cornhusker Classic. He is the half-brother to show champion CBS Yaz's Yukon Jack. Their sire, HSC Rebel's Jack was the 2012 NWSS Reserve Grand Champion Bull. Longevity and production are a complete package in this bull.

Another fine black bull from Dundonald! His young sire had two impressive show years prior to being consigned to the 25th AHCA National Sale of 2013. His grandsire with over 150 progeny was an offspring of Gille Buidhe of Benmore, known as the gene machine. Ella, the dam of this herd bull prospect has similar strong characteristics. Her show ring performances placed her 3rd in the 2007 Roll of Excellence and 2nd in the 2008 Roll of Excellence. And she placed 1st in class at the prestigious NWSS, Denver 2009. A large black cow sired by black bull HI Oscar 03, she continues to be extremely productive with impressive progeny. No doubt that Basswood 4 has a great future in your Highland breeding program.

A handsome breeding bull already proven with 10 impressive progeny in 2014 at Dundonald Farm. He has an excellent disposition and handles well in various environments. His sire traces lineage back to the great Scottish bull Gille Buidhe of Benmore (the gene machine). Chance's fine dam likewise has a tremendous background being a progeny of Phillip 1st of Hi Arrow, a prolific black bull from Bart of Benmore. Lisa of Dundonald and Chance were Grand Champion Cow/Calf at the 2012 Osceola Classic with Chance named Champion Junior Bull Calf. A well-structured prospect with proven genetics for herd improvement and ready for spring breeding.

What an exciting opportunity to add outstanding genetics to your program, with this pairing of US and Canadian bloodlines! Betula 911 traveled the show circuit resulting in 2009 and 2010 Show Heifer of the Year, 2010 NWSS Grand Champ and 2011 NWSS Sr Res Champ honors. She is the daughter of the 2006 NWSS Grand Champion. Her sire was the 2007 NWSS Res Grand Champ Bull and was noted for his 23" ribeye. This structurally correct cow with tremendous thickness continues to perform in the show ring producing numerous Grand Champion Cow/Calf awards including the 2014 NAILE show. The sire, Rebel Yell, had a stellar show career in Canada and has gone on to produce a long line of fancy progeny. If you are looking to improve your herd or show string, don't miss out on this great combination! Two grade #1 embryos will be sold. Buyer pays shipping and must take possession within 60 days of purchase. Transaction between buyer and seller only; AHCA Rules & Regulations apply. Collected for USA only.

The renowned MacDonald of Esk was imported from Scotland in 1987. He was a powerhouse of a red bull that combined the Achnacloich and Leys Castle lines on his sire's side with four generations of Strathallan breeding on the dam's side. His genetics can be found in the pedigrees of many AHCA Roll of Excellence cattle. Don't miss out on this exclusive opportunity! Special thanks to Bo-Riggs Cattle Company for this rare and generous donation and Depend-a-Bull Services for testing and storage. Ten straws to be sold in two lots of five. Buyer pays shipping and must take possession within 60 days of purchase. Transaction between buyer and seller only; AHCA Rules & Regulations apply. Collected for USA only. All proceeds to benefit the Northeast Highland Cattle Association Juniors.

TERMS AND CONDITIONS

EXCEPT FOR THOSE STATED IN THE BELOW TERMS AND CONDITIONS, THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, AS TO THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE CATTLE BEING SOLD.

THE WARRANTIES AND GUARANTEES SET FORTH IN THE "TERMS AND CONDITIONS" ARE IN LIEU OF ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, AND REMEDIES PROVIDED THEREIN SHALL BE THE SOLE AND EXCLUSIVE REMEDY OF THE BUYER, OR ANY PARTY CLAIMING THROUGH THE BUYER, FOR ANY BREACH OF WARRANTY OR GUARANTEE THEREIN PROVIDED, AND ALL OTHER OBLIGATIONS OR LIABILITIES.

TERMS: Terms of the sale are cash or check payable immediately upon the conclusion of the sale and before the animals will be moved.

BIDDING: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold; but it shall be the obligation of the seller to see that the animals are fed and cared for free of charge to the purchaser, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

REGISTRATION: A transferred certificate of registry will be furnished to the purchaser for each animal within 60 days following the sale.

HEALTH: All animals are eligible for interstate shipment; except as otherwise announced.

ANNOUNCEMENTS: Any changes of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

BREEDING GUARANTEE

1. All animals are guaranteed to be breeders, with the exception of: A) Calves under 12 months of age; B) Animals shown by purchaser after the sale (in cases of animals shown after purchase the breeding guarantees, if any, shall be such as agreed upon between the seller and the buyer); C) Injury or disease occurring after the sale; D) Gross negligence or willful misconduct on the part of the purchaser.
2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 14 months of age. Any bull which settles cows by natural service and passes a breeding soundness exam according to the guidelines of the Society of Veterinary Theriogenologists, made by competent veterinarians, mutually agreed upon by buyer and seller, during any 6 month period of trial (provided for in paragraph 2 of "Options and Privileges of Return and Adjustment") shall be considered a breeder. Any guarantees with respect to the ability to freeze semen shall be by separate agreement between buyer and seller.
3. "Pregnant" females have been examined by a competent veterinarian and are so guaranteed.
4. "Served" females are not guaranteed to be in calf.
5. "Pasture exposed" females have been exposed but are not guaranteed to be in calf.
6. "Open" females have not been served and are so guaranteed.
7. Donor Females: A female which has been used in an embryo transfer program is not guaranteed to be a breeder after the date of sale unless by separate agreement between buyer and seller.
8. All animals sold as breeding animals are guaranteed not to be free-martins.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT

1. All claims for adjustment or refund must be made in writing either within 6 months of the sale date or no later than 6 months after the animal reaches 20 months of age, with the exception of claims involving misrepresentation of service sire.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the seller, if in good condition and complying with the health requirement of the seller's state. The seller shall be entitled to 6 months trial following the return of the animal in which to prove that the animal is a breeder. If at the end of 6 months the seller is unable to prove the animal is a breeder, the seller shall, at the option of the buyer, replace the animal with another of equal value or refund the full purchase price. The return of full purchase price shall in any case be deemed full satisfaction and settlement. Any expense incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the purchaser, except the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location where the sale took place. If the seller proves the animal to be a breeder, it shall be the obligation of the purchaser to take delivery of the animal and pay all expenses incurred.
3. If a female sold as "pregnant" proves not to be in calf, the purchaser may receive service from the bull previously used, if available, or if the bull is not available, the seller shall be obligated to make satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the full purchase price upon return of the animal to the farm of the seller. If a female is represented as "pregnant" at the time of sale to a certain bull proves to have been bred to a different bull, the seller shall be obligated to make a satisfactory adjustment to the purchase price or, at the buyer's option, refund the full purchase price upon the return of the animal to the farm of the seller. Any expense incurred for the transportation shall be the responsibility of the purchaser, except that the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location where the sale took place.
4. If a female sold as "open" proves to be with calf, the purchaser may return the animal to the farm of the seller prior to calving for a refund of the full purchase price or for another animal of equal value, whichever is acceptable to the purchaser. It shall be the obligation of the seller to bear any expense incurred for transportation.
5. Cows with calves at side are presumed to be breeders with no further fertility guarantee.
6. Any controversy or claim arising out of or related to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its commercial arbitration rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

AUTHENTICITY OF PEDIGREE

When an animal, through blood typing and/or DNA typing, is determined to have ancestry other than that reported on the registration certificate, the buyer shall be entitled to a refund of the full purchase price from the seller upon return of the animal to the farm of the seller at the buyer's expense. The animal in question, at the buyer's option, may be exchanged for another animal of equal value, or if agreeable with the buyer, the seller may have the certificate of registry corrected at the seller's expense with the corrected certificate returned to the buyer. Any adjustment provided herein, if selected, shall absolve the seller from further liability for authenticity of pedigree to the buyer.

THE SELLER SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. THE LIABILITY OF SELLER FOR A BREACH OF WARRANTY HEREUNDER IS LIMITED TO THE REMEDIES SET FORTH ABOVE.

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be binding on both. Each sale or resale of an animal constitutes a separate transaction.

Neither the owners, sponsoring associations, auctioneers nor any other persons connected with the management or conduct of this sale assumes any liability, legal or otherwise.

ALL DISCLAIMERS OF WARRANTIES AND LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE VOID WHERE PROHIBITED BY LAW.
