Duncan is a fine black bull calf with an outstanding pedigree including DH Raeford ET (out of Gusgurlach of Windrush); Jackhammer of Hawthorn Brae, a NWSS Reserve Grand Champion Bull. His dam placed Reserve Grand Champion in NWSS in Junior Division as a calf. His great conformation, size and disposition make him a super candidate for several years of showing and then a sire for quality offspring! The NWSS was his first show and his willingness and conformation led to a Reserve Division Champion title in a great class.

Selling two grade #1 embryos from a former 2 time National Champion, 3 time ROE Champion Cow/Calf EZ Acres Pauline. She was also the dam of the 2013 ROE Bull of the Year and Heifer of the Year. Sired by the 2015 Grand Champion Bull CBS Yaz's Yukon Jack. His 2014-2015 show career also includes grand championships at the 2014 NEHCA, MAHA, NY State Fair, North Central, KILE and a Reserve Grand Championship at the NAILE. Don't miss this opportunity to buy genetics from these two top animals. Buyer pays shipping and must take possession within 60 days of purchase. Transaction between buyer and seller only; AHCA Rules & Regulations apply. Collected for USA only.

STR Enchanted made history at the NWSS in 2015 being the only Highland female to have won the National Grand Champion title twice, also having won in 2014! Her full sib, Summit Ranch Whitney was National Grand Champion in 2012 and the ROE Show Heifer of the Year. Enchanted's dam, Summit Ranch Shaelyn held the same title at the NWSS in 2007. STR Enchanted is a very high volume female who combines a high degree of bone-work with femininity, performance and eye appeal. Put this young heifer on the move and she will blow you away with her flawless soundness and athleticism. Star Lake Cattle Company is proud to offer the right to flush this dynamic heifer, according to the AHCA rules listed. This is bar none the best Highland heifer Star Lake has ever put on the ground and arguably the best Highland heifer to have had the privilege to show at the NWSS.

A minimum of six (6) grade #1 embryos are guaranteed to the buyer. In the event the chosen cow does not produce a minimum of six embryos, the buyer will have the option of flushing the cow again until the minimum and only the minimum of six embryos is achieved or the buyer may have the option of a prorated price per embryo based on purchase price at the National Sale. This settlement will be handled only through the buyer and seller. If the chosen cow produces more than six embryos, all embryos will be the property of the buyer. Consignor will choose the embryo technician and location for the flushing. The buyer will be responsible for expenses associated with the flush. The sale of flush rights is a transaction between buyer and seller only. AHCA Rules and Regulations apply. A flush rights contract will be signed by consignor and buyer after the sale that defines and guarantees terms and condition of flush. Seller requires flush to happen on or before 6 months from date of sale.
