This powerful, large framed heifer was a division winner in a very competitive class yesterday. She is a maternal sister to last year's high selling female and a paternal sibling of both STR Enchanted and Summit Ranch Whitney. Consistently topping her division this show season, judges compliment her ease of motion, generous rib shape and elegant design. Whether you are looking to add a highly competitive heifer to your show string and bring home some banners or produce exceptional quality offspring with impressive growth rates in the future, Flair is ready to excel for you.
