National Western Stock Show • Beef Palace Auction Arena**

What a line up we have for you in January here in the Mile High City! We invite you to join us for a monumental year at the National Western Stock Show (NWSS) as they celebrate their 110th Anniversary. Denver voters recently overwhelmingly approved a measure on the ballot which will invest in Denver's tourism industry by improving the Colorado Convention Center and creating the new National Western Center, a year-round experiential education, research, commerce and entertainment campus that will be the permanent home for the NWSS. Historic neighborhoods will be reconnected. New parks and open space will be created. The South Platte River will be restored. Over the next decade, this century-old part of Denver will become a modern home for agriculture innovation and global agribusiness.

We are pleased this is the home of our National Sale and a dynamic platform to promote these diverse genetics. It is a remarkable opportunity to purchase cattle that are exclusively chosen by our consignors. Strong pedigrees from east to west coast are represented. These cattle exhibit proven performance, style and superiority. In addition, you will see 2016 National Show Champions enter the auction ring for your buying pleasure. An exciting mix of unique bloodlines are represented with live cattle and semen/flushes that have never before been offered.

Young breeders, the AHCAj Futurity is now in its fourth year. Any AHCA junior who purchases a breeding heifer at this year's National Sale will have the opportunity to be rewarded up to \$1000 next year. The heifer needs to be exhibited by the junior at the 2017 National Show in Denver and meet other guidelines. Contact AHCA or check out the details at highlandcattleusa.org on the juniors tab.

For further information on any of these fine lots, please contact the sale consigners or sale committee. We are delighted to continue to have Sheridan Auction Company at the gavel. They have a rock solid reputation for excellence and commitment in the cattle business. If you are unable to attend the sale but wish to bid, contact Bill or Doug Sheridan (517) 676-9800 or (517) 749-7976. Have your credit card available to guarantee your bids; there is a 4% convenience fee for all credit card transactions. You can watch the sale and bid via LiveAuctions.tv. If you have trucking needs, there are several options available. Please contact AHCA (303) 659-2399 or info@highlandcattleusa.org. Buyers are responsible for arrangements and they should be made prior to the sale. Following purchase of cattle, please remember it is the buyer's responsibility to care for them. If you are not present, please make the appropriate arrangements with the seller immediately after the sale.

On behalf of AHCA and the sale consignors, we encourage you to take advantage of cream of the crop genetics, cattle that have been handled extensively and the ease of purchasing at our National Sale. We extend a heartfelt thank you to our consignors for making this event possible and all those who so kindly devote their time to make the National Sale a success.

This gentle, wicked frosted heifer is a flashy young show prospect. She is sired by Gordon of Blackwatch, an outcross bull with top Canadian and Scottish breeding including his sire Gille Buidhe of Benmore. On Desi's dam side, she is a Homeboy of Five Star Farm granddaughter. Her femininity, structural correctness, natural efficiency make this easy keeping, well-mannered heifer an outstanding addition to your breeding foundation. And if you are looking for hair to add to a club calf program, her texture is the best!

This robust white heifer calf is sired by homebred bull LEA Heremon, a dynamic combination of LEA-White breeding outcrossed to a tremendous Flathead's sire. Lux' dam, an incredibly dramatic and correct example of the breed, is also a combination of LEA-White breeding with the outcross being to Sunset Rebel Yell, a phenomenon in the show ring and as a herd sire. Thick, correct and growthy, this heifer should prove herself exceptional as a brood cow, as well as being a showstopper.

This thick, heavy-boned red heifer is sired by LEA Heremon, a young, homebred bull demonstrating great potential as a herd sire and imparting tremendous growth to his offspring. Lydie's dam is a daughter of Sunset Rebel Yell. She demonstrates typical traits of the Rebel daughters: exquisite conformation head to tail, classic beauty with plenty of breed character combined with a square, correct build and excellent udder with heavy milk production. She will become an Impact Dam this year. We fully expect Lydie to follow in her mother's footsteps.

Lesley is a striking dun heifer sired by the phenomenal Sunset Rebel Yell, undefeated in his division throughout his show career and losing only one grand championship to a bull he had defeated earlier that same year. He holds 1 Supreme Championship and 6 Grands, won as a calf, a yearling and as a 2 year old. Many of his offspring have followed in his winning footsteps. He has sired numerous NWSS Division Champions, as well as a Grand Champion daughter and a Reserve Grand Champion Bull at this very venue. Lesley's dam is a hard working young brood cow whose immediate pedigree includes 5 Impact Sires and 6 Impact Dams, 4 of those being Elite. We fully expect that Lesley should have no problem following a similar path.

An extremely well structured Dundonald heifer with an impressive Highland lineage. Her sire Dundonald's Chance has some impressive young progeny and his lineage traces back to Gille Buidhe of Benmore. Her dam was sired by HI Oscar-03 and has lineage from Stonecliffe Leitis 2nd who was shown in the cow/calf class with Leitis 8th by her side at St. Joseph County Fair 2011. Leitis 11 shows well and placed 2nd in class at St. Joseph County Fair and Cornhusker State Classic. A fine example of Dundonald Highland's breeding.

Good pedigree gone great! A daughter of RTH VanNorman (2011 NWSS Res Grand Champion Bull) and multiple regional and national champion GH Wendy's Choice (highly sought after import bull Scott of Craycombe X past NWSS Grand Champion Female HI Benedict Maddy). Wendy has been a cow that epitomizes beef cow functionality and the ideal Highland breeding female here among the Cobblestone herd with a darling disposition. CBS Wendy's Haven has again solidified for us the tangible power of pedigree. Always a field favorite. It has been our pleasure to have consistently admired from birth, Haven's inherent mile away femininity and spot on structural soundness.

Spring Flight Idyll is a moderate framed, feminine heifer with a sweet temperament. As a 2014 model she has the 2016 show year ahead of her. She is the offspring of Spring Flight Yonder, a wonderfully maternal and amicable cow who is the product of DH Dividend and Owl Rock Yotter. Her sire Black Watch Finn (ET,D) is the result of a mating of two Scottish animals from the noted Auchnacraig and Leys folds. Idyll is easy to handle and will be a fine addition for the experienced or novice breeder.

We are proud to offer this superstar. Her parents need no introduction! Wayward Son was the 2011 NWSS Champ and sired the 2013/2014 Grand Champ Bulls and 2013 Res Champ Female. Her dam carries the Summit Ranch prefix and is a daughter of the legendary Diana of Kiyiwana. Combining these pedigrees has produced a powerful female with exceptional muscling, body capacity, and width across the withers and hips. She's as quiet and willing as they come. Shown by a junior this fall, she was the NCHCA and Husker Reserve Champion Female. Blossom will be AI bred to the exciting young bull, Trafalgar Blain #52412, for a September calf. Check windemerehighlands.com for breeding updates.

Honor is a framey, light red two year old with an enviable pedigree. Her sire Black Watch Finn (ET,D) is the result of a mating of two Scottish animals from the noted Auchnacraig and Leys folds. Her dam Skype High Templar is an Impact animal that traces back to Spring Flight Farm's first herd sire Homeboy of Five Star Farm, one of the breed's few Impact Sires. With her size and correct conformation, we have no doubt she will follow in those footsteps. She sells bred to Flatheads Lal (due April/May), an exciting black bull that goes back to Black Watch Dempsey (ET,D) and Gilchrist's Kodiak. Lal was the 2013 ROE Intermediate Yearling Bull and placed 3rd in the 2014 ROE Senior Bull division.

Sweet Annie has surely taken her junior owner for a great ride! This flashy heifer sells bred to Gordon of Blackwatch, an outcross bull with top Canadian and Scottish lineage, with a March/April due date. Her dam is an Impact Dam who has been a top producer for Seawind Meadows and is Homeboy of Five Star Farm's granddaughter. Her bull, Spring Flight Alpha Taurus, was the 2011 New York State Fair Get-of-Sire champ. Annie always placed high in the ribbons but couldn't quite get a banner while thoroughly enjoying the competition of STR Illuminada, STR Enchanted and Twinflower Frances! She is steady, efficient and a well-mannered heifer. Annie is sure to become a productive addition to your herd!

His masculine appearance, style and lineage cannot be surpassed. Cain's dam is the three-time NWSS Grand Champion Cow/Calf – the only cow ever to capture this honor three times. He was at her side when she garnered this award in 2014. His sire was Grand Champ three times in 2009 and sire to many champs including the 2012 ROE female. Shat Acres Raisin Cain was 2014 Res Grand Champ Bull at KILE and 2015 NWSS Res Division Champ. Exceptional genetics and even temperament, he is ready to go to work. At the 2015 NWSS Cain had a scrotal circumference of 40 cm, the largest of any yearling bull present and the second largest of any Highland bull at the show.

Another fine black bull from Dundonald! His young sire had two impressive years in the show ring prior to being consigned to the 25th National Sale. His grandsire with over 150 progeny, was an offspring of Gille Buidhe of Benmore (the gene machine). The black dam of this bull has similar strong characteristics. Her show ring performances placed her 3rd in the 2007 Roll of Excellence (ROE), 2nd in 2008 ROE and 1st in class 2009 NWSS. Sired by HI Oscar-03 she continues to be extremely productive with impressive progeny. Basswood 4 was Reserve Grand Champion Bull at MI State Fair and Grand Champion Bull at St. Joseph County Fair 2015. He has an excellent disposition and a great future as your herd sire!

WOW! Husker Show Cattle is offering the right to flush our top donor cow Summit Ranch Stella to the bull of your choice. These opportunities are few and far between so take advantage of it! Stella is out of Diana of Kiyiwana sired by Du Boise Lecoq, two notorious names in the breed. Not only was Stella a two-time Reserve Grand Champion Female here at the NWSS but was also the Co-ROE Cow/Calf of the Year with her first progeny at side. Year after year she continues to produce high quality offspring both naturally and in our embryo transfer program.

A minimum of six (6) grade #1 embryos are guaranteed to the buyer. In the event the chosen cow does not produce a minimum of six embryos, the buyer will have the option of flushing the cow again until the minimum and only the minimum of six embryos is achieved or the buyer may have the option of a prorated price per embryo based on purchase price at the National Sale. This settlement will be handled only through the buyer and seller. If the chosen cow produces more than six embryos, all embryos will be the property of the buyer. Consignor will choose the embryo technician and location for the flushing. The buyer will be responsible for expenses associated with the flush. The sale of flush rights is a transaction between buyer and seller only. AHCA Rules and Regulations apply. A flush rights contract will be signed by consignor and buyer after the sale that defines and guarantees terms and conditions of flush. Seller requires flush to happen on or before 6 months from date of sale.

TERMS AND CONDITIONS

EXCEPT FOR THOSE STATED IN THE BELOW TERMS AND CONDITIONS, THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, AS TO THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE CATTLE BEING SOLD.

THE WARRANTIES AND GUARANTEES SET FORTH IN THE "TERMS AND CONDITIONS" ARE IN LIEU OF ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, AND REMEDIES PROVIDED THEREIN SHALL BE THE SOLE AND EXCLUSIVE REMEDY OF THE BUYER, OR ANY PARTY CLAIMING THROUGH THE BUYER, FOR ANY BREACH OF WARRANTY OR GUARANTEE THEREIN PROVIDED, AND ALL OTHER OBLIGATIONS OR LIABILITIES.

TERMS: Terms of the sale are cash or check payable immediately upon the conclusion of the sale and before the animals will be moved.

BIDDING: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold; but it shall be the obligation of the seller to see that the animals are fed and cared for free of charge to the purchaser, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

REGISTRATION: A transferred certificate of registry will be furnished to the purchaser for each animal within 60 days following the sale.

HEALTH: All animals are eligible for interstate shipment; except as otherwise announced.

ANNOUNCEMENTS: Any changes of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

BREEDING GUARANTEE

1. All animals are guaranteed to be breeders, with the exception of: A) Calves under 12 months of age; B) Animals shown by purchaser after the sale (in cases of animals shown after purchase the breeding guarantees, if any, shall be such as agreed upon between the seller and the buyer); C) Injury or disease occurring after the sale; D) Gross negligence or willful misconduct on the part of the purchaser.
2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 14 months of age. Any bull which settles cows by natural service and passes a breeding soundness exam according to the guidelines of the Society of Veterinary Theriogenologists, made by competent veterinarians, mutually agreed upon by buyer and seller, during any 6 month period of trial (provided for in paragraph 2 of "Options and Privileges of Return and Adjustment") shall be considered a breeder. Any guarantees with respect to the ability to freeze semen shall be by separate agreement between buyer and seller.
3. "Pregnant" females have been examined by a competent veterinarian and are so guaranteed.
4. "Served" females are not guaranteed to be in calf.
5. "Pasture exposed" females have been exposed but are not guaranteed to be in calf.
6. "Open" females have not been served and are so guaranteed.
7. Donor Females: A female which has been used in an embryo transfer program is not guaranteed to be a breeder after the date of sale unless by separate agreement between buyer and seller.
8. All animals sold as breeding animals are guaranteed not to be free-martins.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT

1. All claims for adjustment or refund must be made in writing either within 6 months of the sale date or no later than 6 months after the animal reaches 20 months of age, with the exception of claims involving misrepresentation of service sire.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the seller, if in good condition and complying with the health requirement of the seller's state. The seller shall be entitled to 6 months trial following the return of the animal in which to prove that the animal is a breeder. If at the end of 6 months the seller is unable to prove the animal is a breeder, the seller shall, at the option of the buyer, replace the animal with another of equal value or refund the full purchase price. The return of full purchase price shall in any case be deemed full satisfaction and settlement. Any expense incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the purchaser, except the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location where the sale took place. If the seller proves the animal to be a breeder, it shall be the obligation of the purchaser to take delivery of the animal and pay all expenses incurred.
3. If a female sold as "pregnant" proves not to be in calf, the purchaser may receive service from the bull previously used, if available, or if the bull is not available, the seller shall be obligated to make satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the full purchase price upon return of the animal to the farm of the seller. If a female is represented as "pregnant" at the time of sale to a certain bull proves to have been bred to a different bull, the seller shall be obligated to make a satisfactory adjustment to the purchase price or, at the buyer's option, refund the full purchase price upon the return of the animal to the farm of the seller. Any expense incurred for the transportation shall be the responsibility of the purchaser, except that the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location where the sale took place.
4. If a female sold as "open" proves to be with calf, the purchaser may return the animal to the farm of the seller prior to calving for a refund of the full purchase price or for another animal of equal value, whichever is acceptable to the purchaser. It shall be the obligation of the seller to bear any expense incurred for transportation.
5. Cows with calves at side are presumed to be breeders with no further fertility guarantee.
6. Any controversy or claim arising out of or related to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its commercial arbitration rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

AUTHENTICITY OF PEDIGREE

When an animal, through blood typing and/or DNA typing, is determined to have ancestry other than that reported on the registration certificate, the buyer shall be entitled to a refund of the full purchase price from the seller upon return of the animal to the farm of the seller at the buyer's expense. The animal in question, at the buyer's option, may be exchanged for another animal of equal value, or if agreeable with the buyer, the seller may have the certificate of registry corrected at the seller's expense with the corrected certificate returned to the buyer. Any adjustment provided herein, if selected, shall absolve the seller from further liability for authenticity of pedigree to the buyer.

THE SELLER SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. THE LIABILITY OF SELLER FOR A BREACH OF WARRANTY HEREUNDER IS LIMITED TO THE REMEDIES SET FORTH ABOVE.

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be binding on both. Each sale or resale of an animal constitutes a separate transaction.

Neither the owners, sponsoring associations, auctioneers nor any other persons connected with the management or conduct of this sale assumes any liability, legal or otherwise.

ALL DISCLAIMERS OF WARRANTIES AND LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE VOID WHERE PROHIBITED BY LAW.
