Cows over 24 months of age **	\$85

##### **Bull registrations**

Bulls up to 24 months of age *	\$60
Bulls over 24 months of age **	\$180

##### **Transfers**

Transfers after 90 days of sale \$45

##### **Duplicate registrations**

\$10

##### **DNA typing**

\$40

The original owner of an animal to be registered must be a member of AHCA at the time we receive the registration application.

Transfer fees double if seller is non-member when AHCA receives the application. AHCA requires signatures on transfer applications from all non-member owners who are selling or transferring registered Highland cattle (i.e. John and/or Jane Doe are listed as owners so all individual signatures are required).

\* All bulls and AI/ET calves must be DNA typed prior to registration. DNA kits are \$40 per animal and available from AHCA.

\*\* All animals being registered over 24 months of age need to be parent verified by DNA typing prior to registration. This requires the animal and its sire and dam be DNA typed at \$40 per animal.
